Re: Off-Air Notification
K271AC, Ojai, California
Facility Id. No. 59093

Dear Ms. Dortch:

On behalf of the Santa Monica Community College District (the "District"), licensee of FM translator station K271AC, Ojai, California, and pursuant to Section 74.1263(c) of the Rules, I hereby give notice that the translator was forced off the air on December 5, 2017, by loss of electrical power caused by fires in Ventura County, California. Roads to the site are closed.

The District will notify the Commission when K271AC returns to the air or request an STA to remain silent if it cannot return to the air in a timely manner.

Respectfully submitted,

John Crigler
